

## **Smoked Salmon Rolls Filled with Orange-flavoured Cream Cheese**

The addition of the Aromas orange EVOO smooths out the cream cheese more and reduces the intake of saturated fat as less cream cheese is needed per roll.

### **Ingredients:**

180 grams smoked salmon slices  
175 grams Philadelphia Original Cream Cheese  
Aromas Orange Extra Virgin Olive Oil  
Orange Zest  
Can pitted black olives - plain  
Toothpicks

### **Instructions:**

1. Place cream cheese in microwave under low heat to soften
2. Immediately mix in 2 tablespoons Aromas Orange EVOO without letting cheese cool
3. Spread cream cheese on each smoked salmon slice and roll - close off with a toothpick (and a black olive between the roll and toothpick if desired)
4. Finish with a sprinkle of orange zest and drizzle of Aromas Orange EVOO
